July 22, 2019

Dear Parents and Guardians:

As we embark into the 2019-2020 school year, both Administrative teams at our schools are looking forward to a great start. We are looking forward to the students returning back to each of our campuses when school starts on Monday, August 12, 2019.

With the start of a new year, we are continuously looking at how we can provide our students with a safer learning environment. In an effort to assist in this endeavor, Discovery Schools of Lake Alfred have made arrangements for a School Resource Officer from the Lake Alfred Police Department who will be actively present on our campuses from 7:25 – 3:10 p.m. Also, all students and staff will be required to wear a school lanyard with an ID badge throughout the school day. Please ensure that your child comes to school daily with their lanyard and ID badge, which will be visibly worn around their necks.

Throughout the year, we will continue to work closely with the Polk County School District, Safe Schools personnel and our local law enforcement agencies to help guide us in offering and implementing plans with “hardening” our school campuses. Our ultimate goal is to ensure we are providing each stakeholder of our schools with the safest learning environment possible on our campuses.

We appreciate your continual support and if our staff can assist you with any questions or concerns, please feel free to contact Mark Whitehead at (863) 295-5955 for Discovery Academy and (863) 268 – 7178 for Discovery High School.

Sincerely,

Carol Fulks
Executive Director of Discovery Schools of Lake Alfred
